THE Chaucer

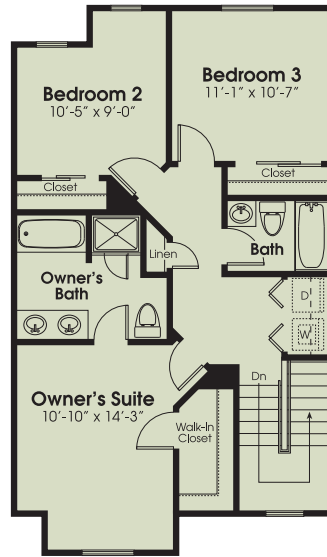

2-3 Bedroom ~ 2.5 Bath ~ 2-Car Garage
1663 sq. ft.

Geoffrey Chaucer (c. 1343-1400) British author, poet and philosopher
"Full wise is he that can know himself."
"Make a virtue of necessity."
"By nature, men love newfangledness."
"Time and tide wait for no man."

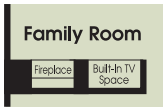

The Chaucer fluently combines shared spaces to create a seamless union of purpose and style. The dining area communes with the living room via an opening in their shared wall, allowing people to separate or mingle as they choose. The family room and kitchen share a private deck and offer an intimate space in which to spend quality time. The main floor rests above a roomy garage and below a second level that boasts layout options designed to help you find your perfect fit. Attentive details and conscientious planning ensure that this home will exceed your needs.
