Welcome to the

NOS Certified School Community Accreditation

About the Package

Our NOS Certified School Community package is comprehensive and includes regularly updated training for the whole school community including **School Leaders, All Staff, Parents, Carers** and **Governors,** in line with DfE statutory requirements and the Ofsted framework.

The NOS Certified School Community package includes the following:

- ✓ CPD Certified Online Safety Course for DSLs & Deputy DSLs
- ✓ CPD Certified Online Safety Course for all School Staff
- ✓ CPD Certified Online Safety Course for Governors
- ✓ Access to the Online Safety Course and Online Safety Guides for Parents & Carers
- ✓ Social Media Training for the School's Social Media Team
- ✓ Classroom Resources & Lesson Plans
- ✓ Access to the Monthly Online Safety Update Webinars
- ✓ Access to the Monthly Online Safety Update Newsletter
- ✓ Up to 1 hour per month phone support from our online safety experts

Certification Criteria

We require each school to provide the following evidence in order to achieve your accreditation:

- ✓ Completion of the Online Safety for Staff course by a minimum of 75% of your staff
- ✓ Completion of the Online Safety for Staff course by at least one governor
- ✓ A minimum of 1 person to complete the Online Safety for Designated Safeguarding Leads course
- ✓ Make available the Online Safety for Parents course for all parents at your school

Once completed, please send evidence for the above to support@nationalonlinesafety.com and a member of our certification will be in touch regarding your plaque and certificate.

Once the evidence has been verified, your NOS Certified School Community plaque and certificate will be sent in the post which we will invite you to proudly display in your school to showcase your school's achievement to creating a safer online world for your children.

You can also take advantage of our in-house PR team who will help showcase your outstanding commitments to Online Safety through local press and media. If you require support showcasing your achievements, please contact support@nationalonlinesafety.com and a member of our in-house PR team will be in touch.

Support

If you require any support with your training & update package, please call 08003688061 or email support@nationalonlinesafety.com and a member of our online safety team will be able to assist you.
