

SAFEGUARDING & CHILD PROTECTION TEAM

Nicholas Rickford
Principal

When members of the school or community have **urgent** and **immediate** concerns for the safety and welfare of a child or young person during school hours, they should make an immediate referral to a member of the Safeguarding & Child Protection Team. Alternatively you can speak with any accessible member of the Senior Leadership Team. Where possible, concerns from staff should be reported via CPOMS.

Dr Neil Hopkin
Chair of Governors
